Ayushman Bharat Card Registration

1. Service Name

AB-PMJAY – Ayushman Bharat Card

This card allows eligible beneficiaries to receive **cashless health treatment up to ₹5 lakh per family per year** at empanelled hospitals.

2. Processing Time (SLA)

SLA (Service Level Agreement):

- **Same day processing**
- This is **only possible if all details and documents are correct**

3. Required Documents

To apply for the Ayushman Card, the following documents are required:

Identity Proof

- **Aadhaar Card**

Additional Eligibility Documents (Any One)

- **AAY Ration Card** (Antyodaya Anna Yojana card)
- **BoCW Certificate** (Building and Construction Worker certificate)
- **PM/CM Letter** (letter issued by Prime Minister or Chief Minister scheme)

These documents are used to **verify eligibility for the health scheme**.

4. Application Fee

- **Registration Fee: ₹0**
- **Card Download Fee: ₹0**

Meaning the **Ayushman Bharat card is completely free**.

5. Official Registration Websites

You can register using either of these portals:

1️⃣ https://ayushmanup.in/

2️⃣ https://setu.pmjay.gov.in/setu/

These portals are part of the **National Health Authority (NHA) SETU system**.

6. Step-by-Step Registration Process

Step 1 — Open the Website

Open the portal: https://ayushmanup.in/ or https://setu.pmjay.gov.in/setu/

After opening the page:

- Scroll down
- Look for **Quick Links**
- Click

Register Yourself on SETU

This option starts the **new user registration**.

Step 2 — Redirect to NHA SETU Portal

After clicking the registration link, you will be redirected to:

NHA SETU Portal

This is the **official platform used for Ayushman Bharat registrations and beneficiary services**.

Step 3 — Create User Registration

The applicant must now:

1. Click **Register Yourself**
2. Fill all **mandatory details**

Typical fields include:

- Name
- Mobile number
- State
- Address
- Aadhaar number
- Other identification information

After filling all details:

Click

Submit

Step 4 — Complete KYC Verification

After registration:

The applicant must complete **KYC (Know Your Customer)** verification.

This usually involves:

- Aadhaar verification
- OTP verification
- Identity confirmation

Once KYC is completed:

The application goes for **approval by the competent authority**.

Step 5 — Card Approval

After successful verification:

- The **beneficiary is approved**
- The **Ayushman Card is generated**

You will then be able to **download the card** from the portal.

Step 6 — Download Ayushman Card

To download the card:

1. Click

Download Ayushman Card

2. Select your **State**
3. Enter your

Aadhaar Card Number

4. Verify with **OTP sent to mobile**
5. Click **Download**

The card will be downloaded in **digital format (PDF)**.
